

Speedboat trips on Pärnu bay and river.

- Pärnu

Property [Description](#)

We offer leisure trips by powerboat in summer. It is possible to tour on the River Pärnu, on Pärnu Bay and also to small islands including Kihnu. The boat has a central cabin that offers shelter in case of rain; however, it is not possible to go out to the sea with strong wind or big waves. The boat seats six people which makes it suitable for private persons but also for companies to take a trip with a small number of staff. The cost is €80/hour. Price on negotiation for longer excursions. Additional information and booking: <http://aisamajutus.ee/en/boat-trip-parnu> or +372 5042 502
